

Wesley: I don't know how you could ever feel bad about multiple milkshakes. That's pretty much living the dream. 😊  
Also, I'm officially continuing on to Waco from PF! 😊

Teddi: Yay!!! How was PF? Have a safe drive to Waco! (And don't text and drive! 😂😂😂)

Wesley: Just made it back to Waco! 😊 PF was great! Tim made steaks, so that was awesome. Plus there was leftover Mac and cheese. So that was also awesome. 😊 Oh, and Lleyton talked about this girl he has a crush on at school named, I kid you not, Wesley. So that was cute!

Teddi: Glad you made it back! I fell asleep at like 9:30... Oops. 😊 But anyway, I'm glad PF was awesome and that there were steaks and Mac and Cheese! And that is hilarious that Lleyton has a crush on a girl named Wesley!!! 😂😂😂 Have a good day! 😊

Wesley: Adventures with Aslan!

Aslan says, "Comp Sci is fun, and I ain't lion!"

Wesley:

Teddi: Oh my gosh. That is so great and you are so ridiculous! 😂😂😂

Wesley: Thank you, thank you. 😊 I'm planning on having an Adventures with Aslan photo every day until you come back. 😊

Teddi: Bahahaha perfect! Looking forward to the photos!!! 😂

Wesley: I don't know why I do these things. 😊 How's your Tuesday been?? 😊

Teddi: I like it when you do these things! 😊 Mine has been pretty good overall. Just swim lessons, lunch with Audrea and some errands and now back to studying. 😊 How's your Tuesday been?

Wesley: What day is your test? I don't remember!  
Mine has been pretty bland. After emailing my professor back and forth, I have to dive back into my project to get him some updated files. So I'll probably have a night of working on that ahead of me. But hopefully I can finish it all tonight! 😊

Teddi: Tuesday! So a week from today. 😊

Oh fun! 😊 I hope you can get it all finished tonight!!!
